# ProCash

National Money Transfer

*ProCash is a fast, reliable and secure local money transfer service that allows both clients and non clients of ProCredit to transfer money locally.*

## Why should I use ProCash?

You should use ProCash for all your local money transfer because you will enjoy various benefits. These include:

- Instant and reliable transfer service
- Very low and transparent transactional charges
- Transfer of funds from your ProCredit account or at the counter
- No limitation on the volume or number of transfers

## What do I need for this service?

The simple requirement for the service depends on where you are sending or receiving funds as

categorised below:

### Sender

- Provide a valid national ID (voters ID, NHIS, passport, drivers licence etc)
- Provide funds to be transferred
- Provide receivers details (name, address, telephone number and amount to be send etc)

### Receiver

- A valid national ID (voters ID, NHIS, passport, drivers licence etc)
- Provide code given by sender
- Answer to a test question
- Must know the amount expecting

## Where can I transfer or receive money?

You can send or receive money in all our branches in the country
